BIDDER'S CHOICE OF WIRELESS DEVICE SOLUTIONS OR PRODUCTS THAT EXTEND/ENHANCE THEIR USE

Specifications: Bidders may bid on up to ten wireless devices and/or their associated products (supplies, accessories and other items) of their choice that enhance or extend the use of the wireless devices. No more than ten products can be bid on this page. Products can be from the manufacturer identified on Form A of this spreadsheet, or may be third-party providers. Items on this page shall not be included anywhere else in this set of bid forms, or on bid forms for any other product lines submitted by the Bidder. Each product bid on this page shall be compared with competing bids with the same manufacturer model number, and shall be awarded to the Lowest Bidder. No bundles shall be allowed unless they are identified with a single manufacturer product number or sku number. However, Awarded Bidders will be able to bundle these products with any or all other products for which they receive an award. For each manufacturer identified in Column B on this form, the Bidder shall include the manufacturer's published price sheet that is in effect as of September 1, 2012, and shall include a letter of support from the manufacturer that meets all of the requirements of the fourth item in Section 2.0 in the chapter of the Invitation to Bid entitled *Instructions for Submitting Bid Materials*. **Special Instructions: After typing in the data for each product below, Bidders shall expand each row so that all data is displayed entirely before printing out the page, and shall set page breaks so that all data for a single bid stays together. Print outs of this form that only partially display the data, or with page breaks that split the bid data, shall be rejected.**
